“many of us have been taught to dispose of unwanted medications by flushing them down the toilet, sending them right into our waterways.”

“I was reading a book about medical history and found this interesting fact: light, almost watercolor-esque texture to their rich pigmentation; moisturizing properties (a result of the way they are processed).”

“I had to work at home today due to excessive work load and decided not to train (weight-lifting).”

“Beautiful, when you are driving a car in the summer, wearing ray ban sunglasses you will get a better view of the road.”
